YOUR ROOM

All our beds and bedding have been chosen with quality and comfort as our top priority. Our bed linen is made from Egyptian cotton and our duvets and pillows are made with Hungarian goose down.

Spare microfibre pillows can be provided on request and we can also supply anti-allergenic duvets. A hot water bottle can be found in your drawers.

Complimentary tea and coffee can be found in the tray on your desk and fresh milk is available on request.

INTERNET

Please select the open Wi-Fi named 'The Royal Oak'. There is no password, you will just be asked to register with your email address or via Facebook.

"OOPS I FORGOT"...

We have a good stock of back-ups for the bathroom including toothbrushes, toothpaste and razors so please pop down and ask if you've forgotten anything. Each room is provided with a hairdryer and hair straighteners are available on request. We also have a variety of phone chargers available downstairs.

The nearby village of Tisbury has a good selection of shops with a chemist, mini- supermarket, hairdressers, doctor's surgery and dentist.

SMOKING

Please feel free to smoke outside in our garden or at our front table. Please remember we are a thatched property so please extinguish butts fully in the sand bucket or ashtrays provided.

It is against the law to smoke inside this property. There are smoke alarms fitted throughout the building.

YOUR MOBILE PHONE

Due to the building's extremely thick walls you are unlikely to get any reception in the pub, however if you do need to use your phone then you may find you get reception in the garden. Alternatively pop out to the front of the pub and walk up to the grass triangle (where you can even sit on the bench). We have excellent broadband for internet calls or ask a member of staff to use the landline for UK based calls.

GUESTS WITH DOGS

The Nadder Valley is a wonderful place to explore with your dog and information on local walks can be found in the bar.

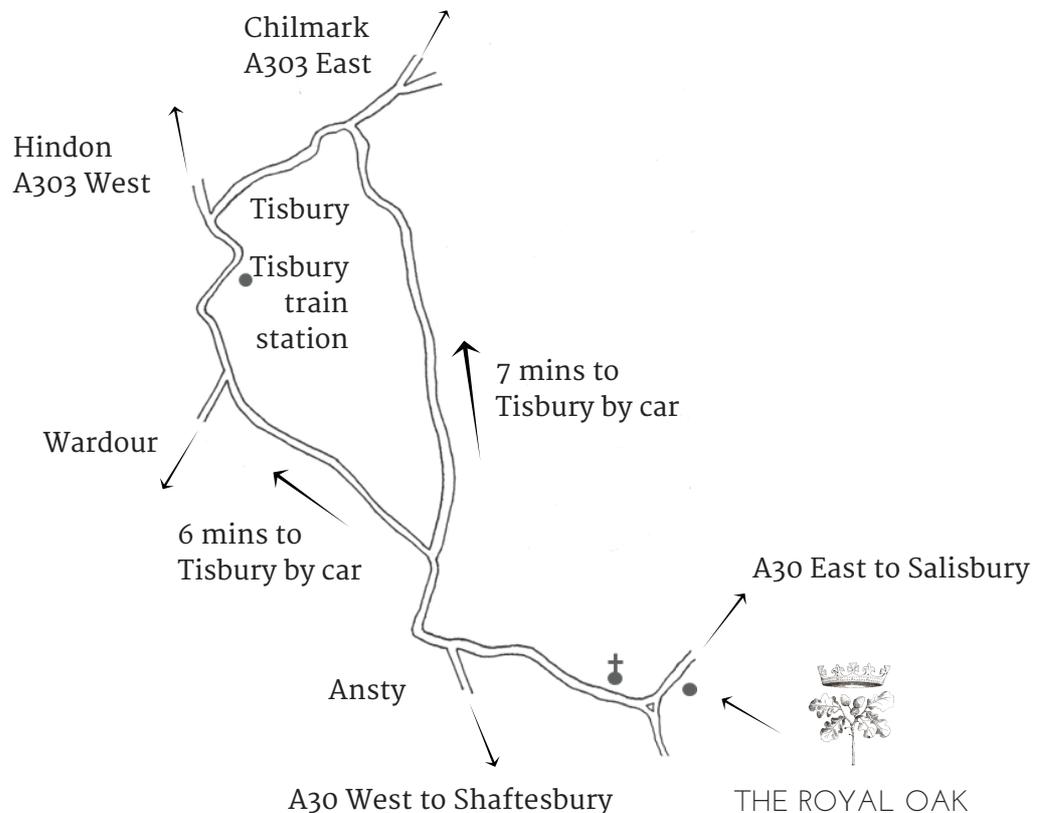

We kindly request that you keep your dog on the lead in the pub and the garden and clear up after him / her at all times.

All well-behaved dogs deserve a treat and there are complimentary biscuits at the bar.

If it has been muddy, please wash and dry your dog before retiring to your room. There is a stream just behind the pub perfect for a wash down and doggie towels are available on request. There is a small additional charge of £15 for those guests with dogs.

Mobile phone reception is strongest at the front of the building. In the unlikely event of a fire, the assembly point is at the rear of the main car park. Please do not use the lift.

Please note it is the responsibility of all guests to remember their key if going out for the evening. No staff stay on site overnight and the pub closes at 11pm, at which point the doors will be locked. Your key will be essential to get back into the building if returning after this time.

Thank you for choosing The Royal Oak for your stay, we hope you have a wonderful time here. If you have any problems or any questions that are not covered in this manual, please just ask a member of staff.
